The voting results from 12/7/18 were discussed. The DAA is on board with the DTA's decision. A school committee member sent a letter to another member of the school committee and asked for there to be member input regarding their decision. There was a motion by John Narcizo for the DTA to send a letter to the school committee asking them for reconsideration of their vote against the superintendent and to thank them for allowing us to provide input. This motion which was seconded by Paul Nogueira, as some discussion took place. The E-Board would like to emphasize the point that an overwhelming majority of the members weren't in favor of the school committee's decision. The MTA communications division can assist the body with writing the letter. A roll call vote regarding the letter took place by Mitch Sweet. The vote was 12 yes, 3 no. The vote was then amended, as Mitch didn't cast a vote, 13 yes, 3 no.
