III

Superintendent Ferreira approached Mitch Sweet with the need for an office space for some new outside counselors. He asked about 3 different locations: the two faculty rooms and the resource room. They tried to come up with other options. Mitch went to see Glenn Benevides to partition off the copier in “The Pit” faculty room. Glenn doesn’t think it’s a good idea to do a partition. They might go in different direction after Glenn speaks to him. Some E-Board members proposed solutions. A trailer was given as a solution, sharing offices, C206, the school psychologist office, etc. Anything but our three faculty spaces.

IV Adjournment

At 2:50PM, there was a motion to adjourn the meeting by Decio Matos, which was seconded by Wilson Valente, motion passed; meeting adjourned.
