**V New Business**

- a. **LPN Admissions** – Lori Gehan spoke on behalf of an LPN student who was dismissed from the LPN program at beginning of the 2021 school year due to safety. This student was being unsafe in the field. The dismissed individual went to the school committee trying to get their tuition reimbursed. After several months, the instructors found out that the School Committee re-instated the individual. There are several staff members who have concerns with this decision due to how very unsafe this individual is. This student could kill someone in clinical practice. Four of the six instructors have had this student in clinical. The instructors are not willing to take him because they are liable for their license, which he is working under. No one on the School Committee is a nurse. The three School Committee members who over turned the decision were Joan Menard, Father Jay Mello, and Jeffery Begin. In the LPN policy for admissions/readmissions, the policy says that if a student is dismissed for safety, then they are not allowed to be reinstated. Lori Gehan met with Dr. Ferreria, who said that she could write a letter. She was then told by Dr. Ferreira that the item couldn't be put on the School Committee agenda. The School Committee was sent detailed documentation about why the individual was dismissed from the program. Mitch will speak to Dr. Ferreira. The issue with the dismissed individual has been ongoing with the School Committee. The School Committee meeting where this decision took place occurred during April vacation in 2022. The student was dismissed around December 2021 from the program. The School Committee told this individual that they could come back in the new year. The LPN Director's contract was not renewed this year; she will be done as of June 30, 2022.
- b. **Administrator/Union Rep** – A board member recommended that there should be a person present at administration meetings to take notes when there is a member issue. There was a motion to table this item until the next meeting by John Narcizo, which was seconded by Chris McGovern, motion passed; item tabled.
