III Other

There is an issue with the November 2022 calendar. November 9th and 10th need to be full school days due to the MCAS makeup days. The early dismissal day is on November 10th, due to parent teacher night. The contract states that the on Friday following parent teacher night that we will have an early release day, however, we already have no school on the following Friday due to Veterans Day. There was some discussion on what day to move the contractual half day to. Decio Matos made a motion to move the early release day, due to the MCAS make up exam, to Friday, February 17th, 2023. This motion was seconded by Chris McGovern. There was some discussion regarding when to enter the sick time if you can't make it to parent night. This motion was passed; a request to change this half day will be brought forward to the school committee.

An email was sent out regarding one to one teacher detentions and the new procedure about notifying Mr. Zajac about who will be attending detention.

When a teacher is absent, Mrs. Pacheco has requested to put in as much information in the notes on Frontline as possible.

There was a discussion regarding inverse order coverages for mothers who are expressing breast milk. The E-Board is looking for a vote that if there is an instructor who is pumping, that they should be removed from the inverse order every day. A motion was made by Karyn Robertson to remove all pumping mothers from the inverse order, which was seconded by Jonathan Root; motion passed. Mitch Sweet will provide a letter to Andrew Rebello outlining these details.

VII Adjournment

At 7:29AM, there was a motion to adjourn the meeting by Mitch Sweet, which was seconded by Chris McGovern, motion passed; meeting adjourned.
